Sonja has offered to hold horse sport games for beginners , every 2nd Wednesday starting on the 6th of June (weather permitting) Everyone is welcome!! Its fun and its free. A few games will be explained & practiced each session. Parental supervision is required. Contact Sonja on: 0407 392117 if you are interested.

Covered Stalls:

The REA Committee asks that members who wish to use a covered stall, text your name and stall number to Justine on 0426 201 581 (eg: Smith, Stall 9) This will allow the REA to maintain the condition of covered stalls in future . All members & guests are expected to thoroughly rake their stall and leave it clean after use.

LIME

The REA is currently organising the Lime contractor to distribute lime throughout the REA Main arena and all of the shared agistment paddocks. All members will be notified prior to his arrival. Lime sweetens the acid soil that we have in Redlynch and improve grass nutrition and prevents sensitive weed outbreaks.

THANK YOU!!!

Our new Jump Arena fence has been completed and is looking amazing. We wish to thank, Cazalys's Community Benefit Fund Cairns, for providing a \$3000 grant towards the cost of the new fence. Without their generous support, this project would not have been possible.

Jumping is a fun activity ... but IT DOES INVOLVE RISK ...Its a skill that requires technique & practice!! Thanks to Cazalys, the Jump arena is now a safer place for all who use it.

To ensure the safety of all our young riders as well as all the "rusty jumpers". Please utilise the gates and open them up when you are finished.

AGISTMENT NOW ON WINTER TIMES

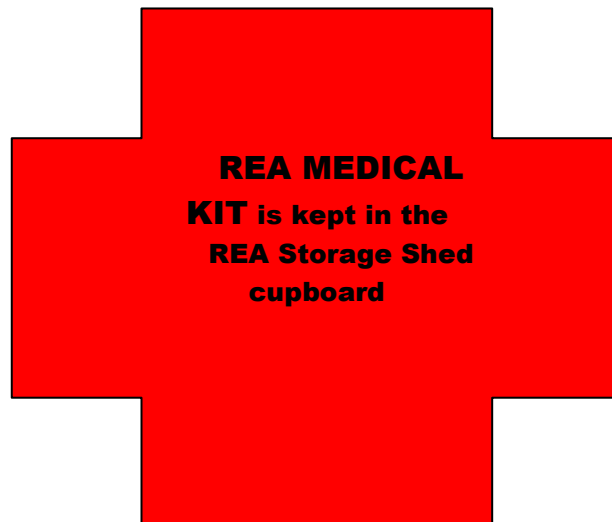

FROM MAY UNTIL AUGUST WINTER AGISTMENT TIMES COME INTO EFFECT AT THE REP;

HORSES WILL BE RELEASED INTO THE MAIN ARENA
AT 6:00PM DAILY

& RETURNED TO THEIR PADDOCKS
AT 7:30 AM WEEKDAYS
7:00 AM WEEKENDS.

SHOULD MEMBERS CHOOSE TO RIDE AFTERHOURS, YOU DO SO AT YOUR OWN RISK
AND IT IS RECOMMENDED THAT THE FENCED ARENA'S BE USED.

ENTRANCE GATE MUST BE LOCKED AT ALL TIMES!!

SPRAYING NOTIFICATION

Some REA members have allergic reactions to weed sprays. To alert people when spraying has been carried out on the main part of the grounds a red board will be placed on the side of the shed for the following 48 hours.

The mobile phone numbers of both REA members are inside the shed, please text or ring them, prior to spraying, and let them know where spray will be done.

Maintenance Corner

Covered Stalls

Anyone wishing to use the covered stalls are asked to Text Justine on:0426 201 581, with your name & the stall no. you wish to use. This will ensure that the stalls are always left, looking great! Please make sure they are always left clean.

Arena sprinklers are only on at night

As we are now approaching the dryer months, daily automatic sprinklers are set to come on during the evenings only :

The round yard will require the manual sprinklers to be turned on for 10 minutes, to avoid any dust issues. The Manual tap is mounted on the timber fence dividing the strip paddocks.

Mowing Roster

We desperately need volunteers to assist with the mowing at the REA. Please contact me, if you need a tractor induction or wish to be included on the mowing roster. A roster will be emailed out to all members shortly. It takes a lot of work to make our grounds look as good as they are. It really is easy ... and can be very rewarding.

Odd Jobs

If you have some spare time and you would like to complete some small tasks, a list of odd jobs can be found on the REA cupboard door. (The Pink Wish List). This can go towards your refund of the \$50 maintenance levy.

Brick Wall Jumps need painting

Kevin has kindly repaired the damaged brick wall jumps. They are in need of undercoating and a final paint job. If anyone would like to assist with this job, please let me now.

Gardeners Delight!!

There is a good stockpile of hay and manure under the fig trees, near the covered stalls that needs to find a new home. Please let friends and family know they are welcome to collect it.... FREE - Please make sure YOU give them access and NOT the access code!

New Water Troughs

Due to Hendra virus concerns, all water troughs were to be moved to the shelters in Agistment paddocks. This was a huge project and taken on by Kevin. On behalf of all agistees, "Thank you Kevin" it is very much appreciated.

If there are any maintenance issues at the REA..... especially water leaks ... Please Text me a.s.a.p.!

Regards,

Belinda
